Font colors align with temporary food event [flow chart](#). It is available on Environmental Health webpage.

* Event coordinators fill out a very short application explaining the dates/times of the event, number of visitors expected, list of vendors, explanation of water and wastewater disposal options and description of toilet facilities.

** This license is issued to locally based temporary food vendors who operate outside of Summit County. This license may fulfill the minimum requirements of those jurisdictions for participation in their events.

*** Reinspection of a temp food vendor who has demonstrated a general lack of managing food safety practices (evidenced by multiple food borne illness risk factor violations), significantly misrepresented their menu or was otherwise not prepared for the inspection.

RF Penalty Fees (C.R.S. 25-4-1611.5)

Activity	Fee
Plan Review & Opening Inspections	\$123/hr

SCHOOLS

Activity	Fee
Plan Review & Opening Inspections	\$123/hr

AUTOMATIC ANNUAL FEE INCREASE: On May 22, 2007, in conjunction with the major amendment to the development code, the Board of County Commissioners discussed the idea of allowing the development review fees to be increased automatically each year by an amount equal to the percent increase in the consumer price index (CPI). Such an adjustment was adopted for this fee schedule so adjustments are made annually.
